RECOMMITMENT INITIATIVE

As we complete Phase 1 of the *Our Faith, Our Family, Our Future* Capital Campaign renovations, the campaign committee and staff would like to provide the parish with an updated summary of the expenses of the project so far, which can be seen below. We are happy to announce that we came under our \$1.1 million estimate for this phase. We look forward to beginning Phase 2 of the project soon and encourage parishioners who have not already contributed to the campaign to prayerfully consider doing so. More details and campaign updates will be provided in the coming weeks, along with an opportunity to recommit or make a pledge. Visit sfatx.org/campaign for all the details.
